During the financial year ended 31 March 2022, this authority's internal auditor acting independently and on the basis of an assessment of risk, carried out a selective assessment of compliance with the relevant procedures and controls in operation and obtained appropriate evidence from the authority.

Internal Audit Report for Ailsworth Parish Council,

-to be read in conjunction with the Internal Audit Report section of the Annual Governance and Accountability Return (AGAR) for year ending March 2022.

13th May 2022

To the Chairman of the Council

I recently carried out an Internal Audit of the Governance and financial activities of Ailsworth Parish Council. I referred to proper practices in the Governance and Accountability for Smaller Authorities in England (2020), plus the Joint Panel on Accountability and Governance -Practitioners Guide (2022)

Initially I examined minutes and policies available on the website, which is up to date. I then carried out a Zoom meeting with the Clerk/ RFO Jenny Rice, and thank her for time and assistance.

Upon examination of accounting records, due process, risk management, budget, payroll, asset control and other operating procedures, it is very clear that every effort is made to ensure the Council in accordance with proper practices. As such I am happy to sign off the Internal Report of the AGAR and attach same.

I would like to make a couple of recommendations for good practice

1. Although it is obvious that a budget for the forthcoming year was discussed, it is better to note in the minutes, the amount approved, along with the amount of precept to be demanded. This will also prompt the council to explain any differences between the amount budgeted for, and the amount of precept requested. I appreciate that the situation with Peterborough County Council is complicated, and that the full precept and net precept amounts are different. Possibly, the net amount- that informs council tax, could also be minuted for parishioners' benefit.
2. I noted that the Asset amount on the AGAR was incorrect for the previous year. It appears that this was the insured amount, rather than actual. The amount shown on this year's Accounting Statements is now correct
3. With regards to the nominal payments made to the individual who opens the bus shelter, I would recommend that their correct status is established.

Yours sincerely,

Internal audit is the periodic independent review of a council's internal controls resulting in an assurance report designed to improve the effectiveness and efficiency of the activities and operating procedures under the council's control. It would be incorrect to view internal audit as the detailed inspection of all records and transactions of a council in order to detect error or fraud. This report is based on the evidence made available to me and consequently the report is limited to those matters set out above
